

Barnet Local Offer

Barnet Early Autism Model (BEAM) Specialist Team

Organisation/Service Details

Organisation or Service

Barnet Early Autism Model (BEAM) Specialist Team

Description of activity

BEAM's service is part of Barnet's specialist Autism services and has been designed for families of pre-school children under 5 (with a confirmed diagnosis of autism). BEAM acts as an early intervention service based in the home where families receive home visits from a trained autism specialist facilitator, who will teach and model strategies through structured activities that are based on the needs of the individual child. The intervention focuses on:

- social communication skills
- attention skills
- play skills
- emotional regulation (related to behaviour)
- educational skills.

Referral Criteria

- Diagnosis of Autism
- Living in Barnet
- Not accessing a specialist nursery setting
