Organisation/Service Details

Organisation or Service

Educational Psychology Team

Description of activity

The Educational Psychology Team provides a variety of services within a consultation framework. This enables them to look together at learning conditions, and helps identify teaching strategies and interventions, monitor progress and evaluate outcomes. We offer support through consultation, assessment and delivering training to the Barnet community (schools, professionals, parents and children / young people).

Referral Criteria

Referrals are made to the Educational Psychology Service through a child or young person's school.
