National Deaf Children's Society

Description of activity

The National Deaf Children's Society (NDCS) is the leading charity dedicated to creating a world without barriers for every deaf child. We provide free impartial and unbiased information to families, empowering them to make informed choices for their child.

Membership of NDCS is free and allows families and professionals full access to our website and regular email updates on our work. NDCS uses the term 'deaf' to mean all types of hearing loss, including unilateral deafness and temporary deafness such as glue ear. We support all deaf children and young people, regardless of their level of deafness, how they communicate or what technical aids they use.
