BARNET MENCAP AUTISM HUB

Barnet Mencaps Autism Hub is a FREE service for autistic adults in Barnet
If you suspect you are autistic, or have a diagnosis, then this service is for you

We offer a range of support and activities including:

- Support through the diagnostic process
- Social activities
- Information Advice and Guidance
- Peer support groups
- Drop-in sessions
- Workshops
- Mentoring
- Carers support group

The hub aims to create an autistic friendly space where members can be their authentic selves, engage with others in a supportive environment and to develop the service to meet your needs
